A POINTS OF LIGHT ENTERPRISE

About generationOn

generationOn provides programs and resources that support the development of caring, compassionate and capable kids and teens through service, empowering them to become changemakers in their communities and the world.

Here are some of the monthly themes, campaigns, days of service, programs and resources we provide and activate youth around throughout the year.

Our website includes a wealth of age-appropriate project ideas and resources for youth and families, including:

- Issue-specific fact sheets
- Project ideas and instructions
- Articles and resources about volunteering
- How-to guides
- Online service tracker
- Grant opportunities and more!

To learn more, visit www.generationOn.org

Below are the monthly themes and important dates for the first half of 2017:

APRIL: Environment

21-23 - Global Youth Service Day
22 - Earth Day
30 - Make Your Mark on Hunger Ends

MAY: Senior Citizens

JUNE: Health & Wellness

MAKE YOUR MARK ON HUNGER

The Make Your Mark on Hunger Campaign challenges kids and teens to take action to address the issue of hunger in the US through meaningful, hands-on service in their communities.

It is powered by generationOn with the generous support of C&S Wholesale Grocers.

Programs & Resources

generationOn Clubs

generationOn Kids Care Clubs (ages 5–10) and Service Clubs (ages 11–18) support kids and teens in communities across the country and the world, allowing them to participate in on-going service opportunities that help them become caring, compassionate and capable young people while working to improve the communities around them. To learn more, visit www.generationOn.org/clubs.

Campaigns & Days of Service

Each year, generationOn runs campaigns and special days of service to engage youth around a specific issue area. Adults can use these individually as a one-time service experience or participate in multiple campaigns to build a continuum of service throughout the year. All campaigns and days of service feature service project ideas, lesson plans for educators and youth development professionals, and opportunities to apply for grants to support your volunteering.

Youth Leadership & Recognition

Our signature youth leadership program is the generationOn Youth Advisory Council. Members of this select Council help develop and execute generationOn's key initiatives and serve as ambassadors for the power of all kids to make their mark on the world.

generationOn recognizes outstanding youth for their commitment to service through a number of youth recognition programs. One example are the Hasbro Community Action Heroes, which recognize outstanding young volunteers who show that you are never too young to make a difference in your local or global community.

Professional Development & Resources for Educators

generationOn offers educators a variety of professional development opportunities, including webinars, lesson plans, toolkits, guides and service trackers. Discover how you can advance your teaching practice and enhance your students' learning and implement service-learning in your school.
